Fiscal Analysis

ASSUMPTIONS:

1. This bill will require that driver's licenses for a person under 18 years of age be marked with a notation that conveys the new restrictions for the first year of driving.
2. It is assumed that driver's licenses will continue to expire at age 21 for all underage drivers.
3. Administrative costs for training will be included in the existing present law budget for the Department of Justice for the regularly scheduled training program for state and county employees.
4. Operating costs would increase in FY 2006 approximately \$2,126 for programming and computer usage to design, test, and implement the three new restrictions as well as the removal of the current provisional driver license restriction.
